

Etiquette for dog owners in built-up areas

Dog owner, this is how you take other people and animals into consideration in built-up areas

Keep your dog on a leash in built-up areas. The person walking the dog must also be able to control it.

§ PUBLIC ORDER ACT

Get your puppy used to different things to make it easier for him to move in busy areas even as an adult.

Do not let your dog greet other dogs or people without permission.

Do not let your dog mark buildings or other property.

Clean up dog poop from the environment in maintained areas.

§ PUBLIC ORDER ACT

Do not stop in paths or junctions with your dog if an unfamiliar dog with its owner tries to pass you.

Walk with your dog in a way that allows those going faster to pass you easily.

Do not walk your dog on children's playgrounds, ski tracks maintained for public use, sports fields, public beaches, or market places.

§ PUBLIC ORDER ACT

On public exercise tracks, walking or running with a leashed dog is allowed. However, take other people into consideration.
